The reason I joined Tripeace...
It isn't to prevent war.
What?
Then why...

CHAPTER 34: MAN AND WOMAN?

105

It won't happen.
キッパッ
That's not true...
Some-day, wars will end...
むっ
……
Sorry...
It's not too clear if I put it that way...
Let me correct myself...
What I mean is that...
You cannot end it perma-nently!

It is true that men are afraid of war,
Which is why they try to avoid it as much as possible.
No matter what we do, our efforts will all be for naught.
However...
BECAUSE IN THE END...
IT IS IN OUR NATURE TO FIGHT!

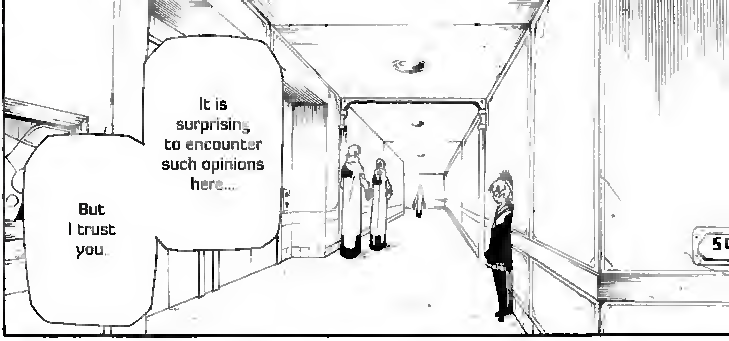
?
That we may choose to negotiate our disputes rather than fight?
Actually, isn't it because we're humans...
We simply cannot...
Stop ourselves.
Ehm...
Right?
Animals don't have this sort of behavior!
Only men wage wars
What are you talking about?

Animals don't wage wars?
Really?
It's the first time that I've been rebutted like this
Either he's just an idiot or...
He's strange...
.....
Who knows nothing of life!
Really?
I've never thought about this...
He's a moron. .
He will change his mind!
Anyway
Damn
I don't know what to think anymore.
In the end

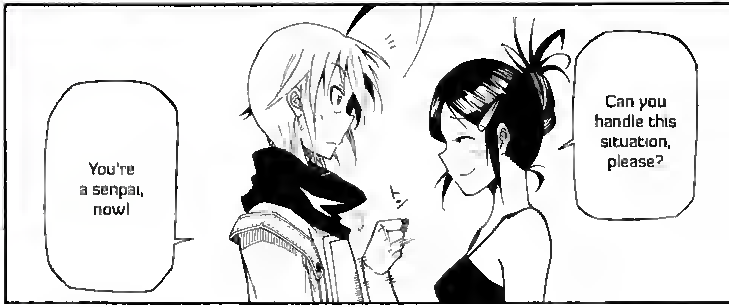
So...
Kururo Van Ludwig...
I wonder why someone with such an impressive resume...
Has set her heart on us!
Before joining Tripeace, she worked for an economic consortium and Doctors Without Borders
She has also worked for many NGOs

I've worked for NGOs too...
And the salary they provide is much higher than here...
Not to mention the career possibilities
DR. JACK'S DEVOTED NURSE
SACHIKO
But the worst part of Tripeace is that our chiefs suck!
Dr Jack keeps sending me to fetch cigarettes!
Really?

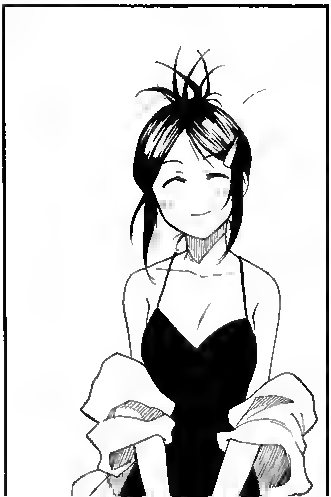
Back to what I was saying...
Anyway...
Sigh~!
Clear notes
Plus he needs kilograms of those... You have no idea how annoying it is... I almost broke my back!
Grr
Grr
So you've introduced yourselves
Ahaha..
Yeah, and she's already nicknamed me "Birdbrain!"
Have you talked to her?
That we can't eradicate war!
But, the worst thing is that this person thinks



It is surprising, to encounter such opinions here...
But I trust you.

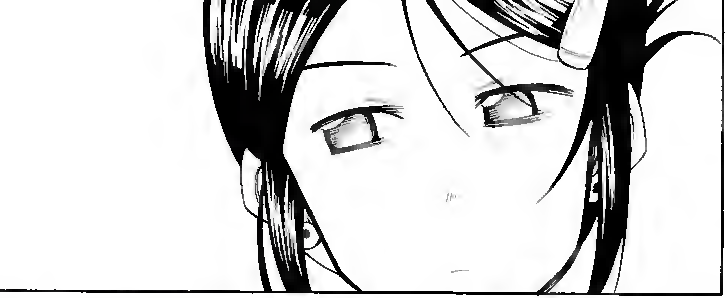


Can you handle this situation, please?
You're a senpai, now!



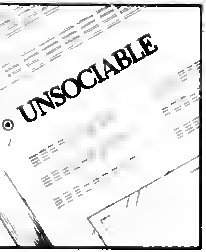
Senpai...

A senpai, huh...
Yes!

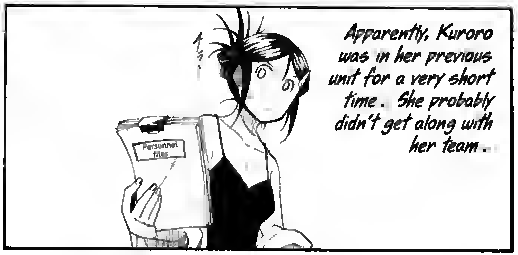


And I'm here to prove it.

It's impossible to put an end to every conflict.



UNSOCIABLE



Apparently, Kuroro was in her previous unit for a very short time. She probably didn't get along with her team...

I think this new recruit...
Will be very trouble-some
